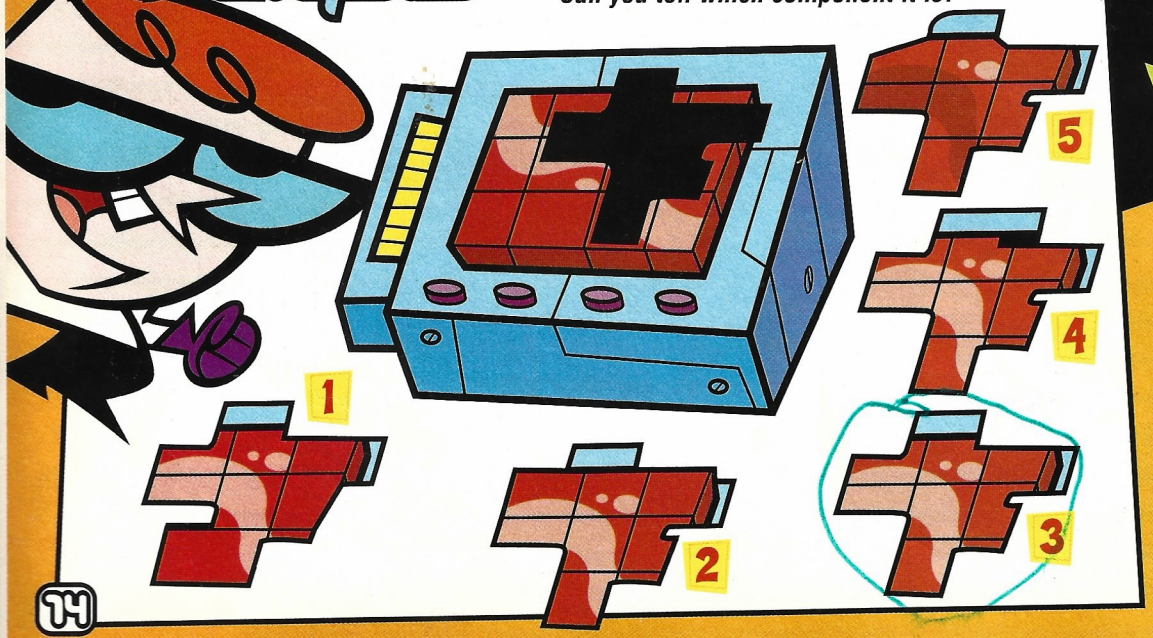
mojo JoJo's BRAIN

KISS ME QUICK (OR NOT)

The feared Kanker sisters have all agreed on which one of them will kiss the Eds. Can you put the guys out of their misery and reveal which sister is gonna plant a smacker on them?

Analytical Analysis

Why, is that a Rhetoric Nebulizer that we can see Dexter working on? Hah, of course not... that would be silly. But there is a piece missing from this Isothermic Triangulator. Can you tell which component it is?



ANSWERS

Kiss Me Quick: May is the kisser.

Analytical Analysis: 3 is the correct part.

Hair Today: 2 is Johnny's proper hair.

Monkey Nuts: Mojo JoJo's name appears 7 times.

SQUEEZERS

Hair Today GONE TOMORROW

The pectastic Johnny Bravo really is having a bad hair day. And that ain't good for business. Can you remember just how his barnet looked in its prime? Use the dazzlingly fantastic picture of him for reference.

Grim & Evil

There's plenty of spooky goings-on down at Cartoon Network this October, as the brand new animated series, Grim and Evil touches down Saturday 5th October at 9am and weekdays at 4pm.

But there's double trouble in the new show, as Grim and Evil is comprised of two different cartoons, The Grim Adventures of Billy and Mandy, and Evil Con Carne...

The Grim Adventures of Billy & Mandy

Making a deal with Death should never be recommended, but in this instance, the Grim Reaper gets more than he bargained for, in The Grim Adventures of Billy and Mandy. On a meeting with death, Billy and Mandy propose a game with high stakes in order to save Billy's pet hamster, Mr Snuggles.

If the Grim Reaper wins, he can take Billy to the underworld, if he loses, Grim is sentenced to be eternal friends with Billy and Mandy - a sure Hell on Earth. Needless to say, the artful friends gain a new playmate for life - poor Grim!

THE POWERPUFF GIRLS™ MOVIE

Cartoon Network's very own sugarcoated superheroes have finally come into their own and this October promises to be on fire! From 14th to 18th October at 7pm each night catch a Powerpuff Fest on the channel as we air the very best episodes from the series, and keep your wits about you for a fab competition to win customised Mojo Jo Jo and Powerpuff Girls electric guitars complete with gig bag!

Ed, Edd n Eddy™

Those mischievous boys are back with a vengeance, as we air a whole new series of Ed, Edd 'n' Eddy, starting Monday 7th October at 6pm.
Like a jigsaw without all the pieces, this youthful crew suffers from all the symptoms of growing up - acne, greasy hair and gawky awkwardness. They just want to belong, but first of all they have to figure out what it is that they want to belong to.

Evil Con Carne

Evil Con Carne tells the story of a criminally insane brain, the bear he is attached to, and his disembodied stomach. Most of Jillionaire playboy, Hector Con Carne's body was destroyed in a freak accident, but thanks to modern technology his brain and stomach were attached to a stupid, lumbering circus bear called Boscov. This severely hampers Hector's plans for world-domination.
